*The Town Council encourages and welcomes comments from members of the community at the beginning of each meeting. If you are commenting on an item appearing on the agenda, please wait until we reach that agenda item before you comment. The Chair reserves the right to take agenda items out of order to accommodate members of the public who are present. General comments or those on items not appearing on the agenda are welcomed at the beginning of the meeting. It is important that we address public comments, concerns and agenda items in a timely manner, and so we ask that you please keep your comments to five minutes or less, and avoid repetitive comments. The Chair may further limit the length of the comment period to allow for as many individuals as possible to provide input. If there is an item you would like to see on the agenda, please notify the Town Manager's Office by calling 472-5242 by 4:30 PM on the Thursday prior to the meeting. The Council normally meets on the 2nd and 4th Wednesday of the month. Please mute your cell phones and other devices while in this room. The Council will not hear any new items after 10pm. The Council has the ability to waive its rules.
