

Bedford Cemetery Trustees Meeting
January 9, 2018
Town Offices

Present: David Bailey, Chair, Melinde Lutz Byrne, Secretary, and Steven Wiggin, Member.

Meeting was called to order at 8:00 AM.

Minutes of prior meetings will be placed online by someone with Town website credentials.

The issue of placing two stones on a 2-person plot was discussed. This can be allowed, but must be considered on a case by case basis.

Chairman Bailey is awaiting the year's budget to see what we spent or encumbered. The bid winner for last year's repair contract has not commenced work yet.

At 7PM tomorrow a Town Council Budget meeting will be held and Chairman Bailey and Secretary Byrne will attend in case there are any questions.

We may have one more year on the maintenance contract. Chairman Bailey will investigate.

Secretary Byrne asked if the Trustees would consent to having the Friends of the Town of Bedford Cemeteries create a map of the Back River Road Cemetery through the use of ground penetrating radar, if the Friends so vote. The Trustees unanimously agreed to permit that to happen.

At our next meeting we will further explore flag placement on veteran markers for Memorial Day. Secretary Byrne will inquire about having Boy Scouts or veterans' organizations participate.

The meeting was adjourned at 8:23 AM.

Respectfully submitted,
Melinde Lutz Byrne, Secretary
