BEDFORD TOWN COUNCIL FACILITIES SUBCOMMITTEE
MEETING MINUTES

A meeting of the Bedford Town Council Facilities Subcommittee was held on Wednesday, August 15, 2018 at the Bedford Meeting Room, 10 Meetinghouse Road, Bedford, NH. Present were: Bill Duschatko Chris Bandazian, and Kelleigh Murphy. Also present: Rick Sawyer, Town Manager.

The meeting came to order at 8:44 p.m.

The committee discussed the pros and cons of completing new construction on commercially zoned land not already owned by the town and brainstormed possible lots that would be large enough to meet the needs of the police station program with access to the major roadway network.

The committee briefly discussed the variety of projects proposed and noted that some of them like the library parking lot, transfer station, fire substation, and DPW garage were potential early action items while other elements need much more consideration.

Lastly the committee reviewed the zoning and uses in and around the town office building parcel.

The next meeting was scheduled for September 12, 2018.

The meeting adjourned at 9:06 p.m.

Respectfully submitted,
Rick Sawyer, Town Manager
